Innovation FOR INSPIRED *Lifestyles*

We humbly welcome you to the Nairobi Property Expo.

This August, from today 11th to 13th, we usher in the premier real estate homes show curated for the urban dweller.. It is a great privilege to be hosting this much needed and authoritative platform that has affirmed the need for Kenyans and East Africans in general to invest in real estate and achieve their dreams of home ownership and property investment.

This edition of the expo is a great milestone as it marks the first time a premium shopping mall is hosting this all important forum, making us one of the most prime real estate and homes expo in Nairobi.

As we offer a showcase of the most innovate real estate products and services, we appreciate the fast changing dynamics and trends of the real estate sector in the region and as you walk around the piazza here at The Hub, you will see the latest innovations and gain new insights to

inspire your lifestyle.

The theme, "Innovation For Inspired Lifestyles" is a reflection of the current state of the housing market, where everyone is longing for modern homes, technology in real estate and investing in the wider market. It lays emphasis on innovation, vibrancy, and revolution, and the event brings together renowned exhibitors and services, making it a not-to-be-missed event that will offer a plethora of new business and living opportunities.

This agenda warms our hearts and we are humbled by the partnerships we are forging with various corporates and parastatals. The future is bright for the real estate industry, and we welcome you to 3 interactive days of bringing your home ownership dreams to life and inspiring your lifestyles through innovation.

Welcome to the premier Nairobi Property Expo.

Inspire your Lifestyle!

Dimension Data is a leading IT infrastructure and services company, operating across Middle East and Africa. Dimension Data is 100% owned by the NTT group, a global technology and business solutions provider.

Together NTT and Dimension Data believe in contributing to society through our business operations by applying technology for good. At Dimension Data we deliver a secure and connected future that empowers our people, clients, and communities.

We lay the foundation for organizations' edge-to-cloud networking ecosystem, simplify the complexity of their workloads across multicloud environments, and innovate at the edge of their IT environments, where networks, cloud and applications converge.

re
CENTUM

Centum Real Estate

Centum Real Estate is a leading Pan African developer of master planned mixed-use urban nodes with a current presence in Kenya and Uganda.

We develop attractive sites across the region and provide commercial impetus for investors to establish urban node developments therein.

Within our current portfolio, we are developing the Two Rivers precinct in Nairobi, Vipingo at the Coast of Kenya, Pearl Marina in Entebbe, Uganda and affordable urban nodes in the wider Nairobi and catchment areas.

We have completed and handed keys to over 800 homeowners in the last two years.

We are master developers of urban nodes in East Africa, transforming areas into places where people want to live, companies want to grow and neighborhoods come alive.'

Centum RE is part of Centum

Investment Company Plc, East Africa's largest listed investment company, listed on the Nairobi Securities Exchange and Uganda Securities Exchange. Founded in 1967 as Industrial and Commercial Development Corporation Investment (ICDCI), the company rebranded to Centum Investment Company Limited (Centum) in 2008.

CHIGWELL
A better quality of life

Chigwell Holdings Ltd

Chigwell Holdings Ltd is a reputable Real Estate Firm with a track record spanning almost 20 years.

The Company remains a front runner in setting standards in the Property Development Industry and has delivered over 700 properties within the middle bracket segment in Nairobi and its environs.

Our specialty is gated community developments that offer sustainability, innovation, high built quality safety and security.

PHENOM PARK - LANGATA

A unique cluster designed project offering luxurious and superior home living. This landmark development comprises 214 Townhouses, 30 no. apartments, 6 shops and a Community Center.

Common amenities include Boreholes, Intercom, CCTV, Separate visitors parking, gate house with management offices, Club house with Swimming pool, Gym and Koroga areas.

THE MIST- TILISI, TIGONI

The concept blends nature and modernity, set to deliver an exceptional living experience in a Tranquil Countryside environment.

Project amenities will include a Club house, heated swimming pool with changing rooms, gym, basketball court, 5 aside football pitch, jogging tracks and cycling lanes within Tilisi. Common features are boreholes, CCTV, Intercom, Fibre optic cabling, a gate house, cabro paved driveways and landscaped gardens encompassing aesthetic appeal.

The Mist will feature 2 concepts;

THE MIST WEST (VILLAS)

A modern residential project of 97no. tastefully designed 3 & 4 bedroom Villas with DSQ.

This masterpiece blends nature and modernity in a tranquil countryside environment, crafted to offer a lavish urban living experience in the beautiful countryside. The design fuses comfort and efficiency, space and style.

THE MIST EAST (PLOTS)

Comprises fully serviced quarter acre residential plots ideal for either setting up your dream home or multiple units for rental investments.

A master-planned zone with development controls to ensure adherence to the building guidelines in place. Infrastructure provided will include roads, fiber optics, sewer, water and power connections.

Chloride Exide

Chloride Exide Kenya Limited (CEKL) established in 1963, **Chloride Exide Tanzania Limited** (CETL) established in 1966 and **Battery Masters Uganda Limited** (BMUL) established in 2001 are all limited liability companies which are locally owned.

CHLORIDE EXIDE'S core business is distribution of automotive batteries, solar systems installation, backup systems installation, solar water heating. Chloride Exide has grown from

a single based operation to being the largest battery and renewable energy distributor in the East African region while enjoying considerable presence in the PTA trading block.

Of particular pride is our strong brand supported by a region wide network of over 17 branches and over 400 dealers in the region.

Dreams Made Possible

HFC

HFC is the banking subsidiary of HF Group. HF Group is a non-operating holding company which commenced operations on November 18th 1965, and is listed in the Nairobi Securities Exchange (NSE).

EVENT CATALOGUE

HFC is licensed by the Central Bank of Kenya and provides mortgage and full banking services.

HFC has a strong heritage in real estate, having financed over 18,000 Kenyans to own property. We have an active mortgage book of 4,000 mortgages valued at over Kes 22 Billion.

Our purpose is to enrich lives, and we believe property financing is a solution that empowers people to meet their fundamental need for shelter.

We are the leading mortgage financing company with tailor-made solutions that cut across all segments, to different people in various stages of life. We pride ourselves in providing high-quality financial services to Kenyans in the country and Diaspora.

Our mission is to enrich lives through financial empowerment at competitive rates. Our

property financing solutions include:

Home loans

Affordable housing
Plot purchase
Property construction
Buy plot & build, a solution that enables customers to purchase land and construct simultaneously

Home equity loans where customers are able to access loans against their properties for investment purposes

HFC is a founding member of the Kenya Mortgage Refinance Company (KMRC) and is able to provide financing for affordable housing at the incentivized KMRC rate hence increasing effective demand for home ownership.

Our long heritage and experience in mortgages are a key anchor for addressing the home ownership needs of our customers and Kenyans at

large.

We were the first financial institution to launch the affordable housing proposition with financing up to 90%, of the value of the house or purchase price whichever is lower, at a rate of 9.5% P.A, financing up to Kes. 8M.

Home Ownership Savings

Product – Nyumba Yangu

Noting that one of the biggest and most expensive decisions that customers make is buying a home, we demystify the property ownership journey, making it easier for customers to own homes, and provide a one-stop shop for property ownership.

We walk customers through the home ownership journey with savings through our Nyumba Yangu Savings Account which is recognized as an Affordable Housing Savings Account by the Government of Kenya.

Stima Investment
Co-operative Society

The core purpose of Stima investment is to create wealth for the members through innovative and most viable and secure ventures through prudent management of resources to secure maximum returns, growth and sustainability.

Kitisuru Falls Residence

Kitisuru Falls Residence by Kinsfolks Limited

Kitisuru Falls Residence is a serene gated community offering spacious **1, 2 & 3-bedroom** apartments served with high-speed lifts.

The development overlooks a beautiful natural waterfall hence the name Kitisuru Falls residence.

With breathtaking views of the Getathuru Falls from the comfort of your home, each apartment unifies style with comfort while conveying cozy family living. The design parades admirable taste inspired by the glorious surroundings. The development is located in Kibichiku

near New Kitisuru and Kitisuru Spring Estates along Getathuru Road off Ngecha Road.

The homes are less than 10 minutes from Sarit Center, Westlands, and UN junction – Gigiri in the traffic-free road networks of Nairobi.

Our extensive list of amenities ensures you and your family live life to the fullest. Enjoy leisurely swims in the sparkling swim-

ming pool, stay fit and active in our well-equipped gym, and trust that your little ones are in the best hands at our daycare and baby daycare facilities.

Plus, convenience is always at your fingertips with a supermarket and drug store on-site.

With 70% sold out, don't miss out on this opportunity to own your dream home.

PROPERTY MANAGEMENT SYSTEM

Nyumba Zetu

NAIROBI PROPERTY EXPO

Nyumba Zetu is a cloud based software built for landlords and property managers to streamline every aspect of property management, from listings, invoicing, and bill payments to maintenance, expenses, and reporting.

Our easy-to-use, end-to-end payment platform aims to save you time, improve rent collection, make your tenants happy, and enhance your brand.

Our clients have reported more

than 20% increase in rent collection after the first 6 months of using Nyumba Zetu.

We are also rated 4.9 stars on Google and are top-rated by landlords and property manag-

ers. In recognition of our dedication and contribution to the Real Estate Industry, we were recently awarded as the Real Estate Tech Company of the year at the KPRA dinner.

Optiven

Optiven is a leading brand in the region and has a number of flourishing Strategic Business Units (SBUs) that include Optiven Real Estate, Optiven Homes, and Optiven Water.

The firm has also gained a foothold into the hospitality industry with its GMC Place in Kitengela and food franchises Eagle Peak Spur.

Optiven also has a soft arm, which undertakes charity works, by the name Optiven Foundation. The Foundation has so far been involved in

numerous philanthropic works in its quest to transform the social well-being of thousands of Kenyans.

Optiven is captained by its Founder and CEO, George Wachiuri, and is rightly living up to its mission, which is to create an environment that positively transforms its staff, customers,

and all its stakeholders through offering state-of-the-art products and services.

The firm aims at creating over 30,000 direct employees by the year 2030, and has continued to be a differentiated and trusted name that regularly receives accolades both inside and outside Kenya.

Colt
Power Solutions
a Simba corp company

Colt Power Solutions

Colt power Solutions is a market leader in the generator market specializing in supply, installation, commissioning, maintenance and parts of Diesel generators and solutions.

We supply COLT POWER and AKSA brands of generators. The generators are powered by the most popular Engines namely Cummins, Doosan, Colt, and Aksa coupled to the most reliable alternators as Leroy Somer, Stamford and Mecc Alte.

CPS offers solutions such as Generator power paralleling/sharing technology through synchronization of 2 or more generators.

Additionally, we do Hybrid systems, Load analyzing and maintenance contracts for up to 24-hour call ups. Colt Power solution is an established player in the market with a long history and association with Simba Corporation Ltd which has over 50-year's track record for motor trade in East Africa region as the sole distributor for Fuso,

Mitsubishi, Mahindra and SAME Tractors. The Generator division

was founded in 1997 holding the Cummins franchise in Kenya. In 2005, Colt Power, then called Power Systems Division (PSD) became the sole distributors of AKSA powered generators. The company has added to its portfolio Colt branded generators powered by Colt, Cummins, and Doosan Engines at very competitive prices. Colt power rides on experienced management and well-trained personnel.
